Objectives of the Mock Interview on Self-Employment Programme:

1. To create awareness among students about self-employment and entrepreneurship as viable career options.
2. To develop communication, presentation, and interview skills amongst students.
3. To encourage students to identify their talents, skills, and entrepreneurial potential.
4. To familiarize students with the opportunities, challenges, and responsibilities associated with self-employment.
5. To motivate students to explore innovative business ideas and become self-reliant in their future careers.

Guidelines for Mock Interview on Self-Employment:

1. Target Students of Mock Interview are 488 students of BA 2nd Semester. As registered through Google Form, we have found 100 Groups of students (maximum five students in each group).
2. Total number Interview Boards to be involved is 8+1 (one additional).
3. Time duration for the programme is maximum two hours i.e. from 10 to 12 Noon. Maximum time for each group is six minutes.
4. Maximum mark for each student is 10. Each student of a group is to be assessed and awarded mark individually.
5. Minimum one question is to be asked to each student of a Group.
6. One Member of each Interview Board will award the marks for each student in Attendance Sheet after consultation with two other Members.
7. Students should be encouraged to answer some easy and familiar questions in English (like their introduction, hobbies etc.), so that their English Communication may be encouraged and assessed. However, answering in English is not mandatory.
8. Attendance of our students in Mock Interview is more important than their performance. So, please let them feel comfortable and encouraged.

Report on Mock Interview on Self-Employment

The Department of English, in collaboration with the Institution Innovation Council (IIC), Manikpur Anchalik College, successfully organized a **Mock Interview on Self-Employment** for B.A. 2nd Semester students on **09 June 2026**. The programme was conducted with the objective of creating awareness about self-employment and entrepreneurship as viable career options while enhancing students' communication, presentation, and interview skills.

A total of **488 students** participated in the programme and were grouped into teams of not more than five members. To ensure smooth conduct of the event, **nine interview boards** comprising faculty members and staff were constituted. Each group appeared before an interview board where students were assessed individually on their communication skills, confidence, entrepreneurial awareness, and ability to respond to interview questions.

The programme provided students with practical exposure to interview situations related to self-employment opportunities. Participants were encouraged to introduce themselves, discuss their interests, and present innovative business ideas. The interactive sessions helped students overcome hesitation, improve self-confidence, and develop essential employability skills.

The programme concluded successfully with enthusiastic participation from students and valuable guidance from the interview boards. It proved to be an effective initiative in promoting self-reliance, entrepreneurship, and career preparedness among the students of the college.
